

THE BELLE GLADES VOICE TUESDAY, NOVEMBER 2nd

NOTE---THE GLADES VOICE TUESDAY, NOVEMBER 2nd

Town From Year News From Year
Town Hall

Water Department
Water Commissioner Lloyd and plant Superintendent Throop visited Miami, and the City Water Department purchased pipe and connections for the new tower connections, which will be immediately placed in the distribution system. Fifteen new meters were installed. City prisoners unloaded a car of hydrated lime at the water plant.

Fire Department
No alarms received, two burning permits issued. Work on new fire truck progressing and will be ready for use in 30 days. To date three applications for fire department positions have been received.

City Inspector
Repair permits shown an increase, 11 having been issued. Troublesome septic tanks have been given attention. The drive for unpaid occupational licenses continues with good results.

Street Department
Graded NW Avenue "D", put out 12 tons of asphalt, patching the street over the old truck loads of shell and sand. Made 18 arrests the past week ranging from Speeding, Drunk and Disorderly Conduct, Mr. Funk of the Identification Department took 28 sets of fingerprints, and he is receiving prompt replies from the F. B. I., thereby making our files show a complete record of all suspects.

Picked up 2 negroes for the Hollywood Police Department, armed with a 32 revolver. One, Woodrow Wilson Holloway, forced Henry Smith to drive him to Belle Glade at the point of a revolver.

Whitlock Picks Up Negro Car Thief
James Lindsey, a Belle Glade negro, found himself in Miami, without means of transportation to get back home, so he looked around till he found a '41 Chevrolet Coach, and he appropriated to his own use, and then left it abandoned on the streets of Belle Glade, Friday morning. Later in the day Constable Whitlock picked up the car and also Lindsey, who will return to Miami for trial.

Horticulturists
Hold Convention
In W. Palm Beach

The annual convention of the Florida State Horticultural Society was held at the George Washington Hotel in West Palm Beach, on October 26-28, which brought a large attendance from all over the state. W. H. Ward of Avon Park, was the President of this group.

The speakers of the convention were drawn from the Federal Department of Agriculture, The Florida Agriculture Department, and from the staffs of the Florida Experiment Stations, including the Everglades Station at Belle Glade.

The program was divided into several sections for round table discussions, taking in the production and processing of citrus; vegetable; introduction of new fruits, and ornamental trees and shrubbery. The program also included a visit to some of the famed residential properties in Palm Beach and other locations, for the purpose of seeing rare trees and landscape effects.

Among the Federal Department speakers were: Victor Boswell, Fred A. Motz, James F. Childs, Dr. Herbert Spencer, who discussed citrus topics along with A. F. Camp and Theodore Grant, representing the department in Brazil.

Representatives from the Everglades station who appeared for a special discussion on the program were: D. L. Stoddard, "Tommy" Hayley on "Control and Method of Application"; James C. Hoffman, "Weeding Cephalaria"; and "Silent Nephthys".

Among the speakers were: Mrs. Ruth Wadsworth spoke on the subject "Fertilization of Much Soils of the Everglades"; and John A. Dulany, of Pahokee, spoke on "Where does the Money Come From".

Crider Takes Over Bell Restaurant

"Billy" Crider, who for the past three years has operated Billy's Restaurant, and who was the sponsor of the champion softball team, and who has taken an active part in community affairs, has closed the same for the time being. Crider has now leased the facilities of the Bell Restaurant, and will conduct his business at that stand. Mr. Bell continues to operate his cocktail lounge.

Teachers Visit Norton Gallery Thursday Night

Upon invitation of Dr. Earl C. Barkley, head of Norton's Art Gallery, at West Palm Beach, Thursday night, the members of the faculties of Palm Beach County Schools, were his guests at a reception, tour of the gallery, and an address by Dr. Barkley. Most of the members of the Belle Glade and Pahokee faculties were present to enjoy the unusual and educational function.

Country Club Gets New Management And Improvements

Mr. and Mrs. Phil Mills have assumed management of the Country Club of the Everglades, to replace Mr. and Mrs. Lewis, former Pro and Club manager, who resigned this week. Mr. and Mrs. Lewis will leave with the week for California.

At the closed meeting of the Board of Directors to consider Dr. Lewis' resignation, Mr. and Mrs. Mills were secured so that no interruption will take place in the Club's operation. The new management will continue the semi-monthly dances, the first being this Saturday night. Also, as soon as equipment can be obtained and installed, meals will be served at the Club.

When it was brought to the attention of the Board that the dance floor has been badly damaged by two successive damp spells, members donated the material and labor, and the floor is in readiness for Saturday night's dance.

The Board gave Pro Chuck Lewis a vote of thanks for the work he has done for the Club and wished him and his wife success in what new location they select. Mrs. Lewis has been an auditor and of Okeelanta Sugar Co. and has been active in the social life of the Club and community.

Billy to Feed Football Teams

Billy Crider announces that he has contracted to feed the members of the out of town football squads as they appear in Belle Glade to meet the Golden Rams. The contract was for a light meal before the game and a steak meal after the contests. The first of the visiting teams to so be served was the Brewster Vocational team from Tampa.

New Business Coming to Town

Bill Pierce has entered into an agreement with George Abner of Pahokee to build him a sizeable concrete store building on North Main Street, where the present steel structural frame is located. Mr. Abner will use the new store as a fruit store.

City Salary Costs Run Monthly Over \$100,000

In the ordinance which the City Commission set up for City employees salaries, the totals amount to just a shade under \$90,000, and the water works employees of \$28,160.

In fixing salaries the Commission took into consideration the service, the importance of the job, and efficiency of those making them, and also the higher cost of living these days.

The list of employees and their salaries were fixed as follows: Clerk, Tax Assessor, Tax Collector, etc.

Fire Losses In Belle Glade Are In Low Figures

Assistant Fire Chief Bob Bair Makes Annual Report Of The Past Year

Fire, or at least fire alarms in the City of Belle Glade are definitely on the increase, as well as the other cities in this county.

During the City's fiscal year just ended, the local department answered a total of 83 alarms of all types, which is an increase of little better than 36 per cent over the same period ending October 1, 1947.

Broken down, these alarms add up as follows, building 33, grass, track and muck 18, cars and trucks 10, false alarms 6, out of town 12, misc. 4.

Of the 6 false alarms listed none were turned in with malicious intent but were the result of mistakes and honest errors.

The 12 alarms classed as out of town are not actually to be (Continued On Page 5)

Three New Residences To Be Erected Here

Belle Glade continues to grow slowly but surely. The local residents are the City Building Inspectors' books, show that Contractor W. L. Lewis is building a new home, a permit to erect a \$10,000 home at Dr. E. Lively, of the Florida National Bank, at 100 NW Avenue D, is building a new home, a fine new home in the Hollywood addition at 627 SE 4th St. to cost \$8,000; and N. D. D. is building a small cottage place, for \$15,000.

Vetrans Bureau Is Given Monies

The Board of County Commissioners has allotted \$20,000 for the operation of the several Veterans Administration offices in the county, the same amount as last year. The Glades Bureau, of which I. J. Fasura is the executive officer, was appropriated the sum of \$8,000.

Through these offices that all types of Veterans affairs are handled, and the Glades office is under the management of James Stafford, who, year made an outstanding record of accomplishment.

Land Condition Is Better Than Last Year For Cropping

Assistant County Agent H. L. Spear seems quite optimistic over the coming crop season, which without disaster, promises to be a successful one. He states that after making a complete survey of the Glades area, that he finds land conditions much better than after the 1947 flood, and that a large percentage of the tillable land will go into crop production at that time.

There are some lands that are still wet and not ready for planting.

Estimate is made that there are at present from 8,000 to 10,000 acres of beans in the ground for the fall harvest; early potatoes were planted in the ground for or lost and this crop will be limited; fall cabbage and escarole will be on a lower level.

The labor situation looks dark, and it is hoped that the supply will be sufficient to handle the coming season.

Department is casting around for additional help.

Camp Okeechobee is about 60 percent occupied at present. Camp Okeelanta will be filled; while the Pahokee area camps are beginning to fill up with the migrant laborers.

Expectation is that the first gathering of Bountiful Beans will come during the week of November 1st. The growers yet know what prices may be offered by buyers, but all are hoping for demand will be such as to afford a market.

Local Rams Return Home From Kansas

Joe Cherry and Roger Cunningham, came rolling in from Kansas, after a fair and happy trip. They made their trip home by Memphis, where Joe visited relatives, and then on through Tennessee and Alabama, to Tallahassee and Gainesville. Both boys stated that "home" in Belle Glade was a lot better than anywhere else.

The original installation has been planned on entering college sometime in February.

The boys state that they liked the work, although it was arduous. They made their trip home by Memphis, where Joe visited relatives, and then on through Tennessee and Alabama, to Tallahassee and Gainesville. Both boys stated that "home" in Belle Glade was a lot better than anywhere else.

The original installation has been planned on entering college sometime in February.

Local Rams Prove Too Strong For Brewster Eleven

An underdog team from Brewster Vocational High School of Tampa, bowed to our local Rams last Friday night, on Memorial Field, to the tune of 26 to 6. The locals scored in every quarter except the last with Brewster pushing across in the last for their only six points.

The game started with the Rams first team. After running up a 13 to 0 score in the first period, Coach Cook substituted his second string boys who played the remainder of the game except for starting at the beginning of the second half.

Alvin Leathers scored the Rams first TD and two plays after the kick off, by J. Leathers scored on a pass from Williams. Williams made the point.

In the second quarter Layfield crossed to pay dirt from the counter, Walker made the point.

The third quarter brought the Rams another six pointer when Walker went right to the center from the two. The Rams failed to score again during the remainder of the game.

Brewster threatened for the first time in the opening minutes of the last period when the locals were set back to their own two due to a bad pass from center.

The visitors failed to make the grade after throwing several incomplete passes. The score came when the Rams took over and booted out from their 10. The kick was taken by Williams.

Assistant County Agent H. L. Spear seems quite optimistic over the coming crop season, which without disaster, promises to be a successful one.

He states that after making a complete survey of the Glades area, that he finds land conditions much better than after the 1947 flood, and that a large percentage of the tillable land will go into crop production at that time.

There are some lands that are still wet and not ready for planting.

Estimate is made that there are at present from 8,000 to 10,000 acres of beans in the ground for the fall harvest; early potatoes were planted in the ground for or lost and this crop will be limited; fall cabbage and escarole will be on a lower level.

The labor situation looks dark, and it is hoped that the supply will be sufficient to handle the coming season.

Department is casting around for additional help.

Camp Okeechobee is about 60 percent occupied at present. Camp Okeelanta will be filled; while the Pahokee area camps are beginning to fill up with the migrant laborers.

Expectation is that the first gathering of Bountiful Beans will come during the week of November 1st. The growers yet know what prices may be offered by buyers, but all are hoping for demand will be such as to afford a market.

Ramie Processing Machinery Being Installed Here

Decorating and Dyeing To Be Done Chemically

Ramie Products Inc. leases of a processing formula originated by Russell Edwards of Miami for chemically decorticating and degumming green stalks, have leased the Bill Pierce Building on North Main Street, and are preparing the building to receive the equipment and machinery for a "one line" plant.

This one line will be used until whatever "kinks" develop in converting from laboratory to production line accomplishment, are ironed out, when it is planned to install three other lines in the same building.

Mr. John P. Hoberman, Vice President, and his father, N. D. Hoberman will be in Belle Glade, with the father permanently as Resident Manager, Mr. Jerome Waterman of Tampa, President of the operating company.

Experiments carried on with ramie from laboratories and textiles users convince the new organization that they are able to produce a degummed, and carded fiber ready for the spinners, and the operation expects to expand to use several thousand acres of Glades Ramie.

The original installation has been planned on entering college sometime in February.

Four of the units, each requiring three tons hourly, will require some 25 acres daily, or 16 to 1700 acres for continuous operation.

Mr. Hoberman states that three or four key men are expected to be brought in, and the plant will employ in full operation.

It is hoped that by the time the spring crop of ramie is ready for harvest the plant will have been synchronized and adjusted for full time operation.

The company does not anticipate growing its own ramie, but to contract with local farmers for crops.

Glades Honored With Kirchman As RDB Head

Arnold E. (Slick) Kirchman, former Mayor of Belle Glade, businessman and civic worker, was elected President of the Palm Beach County Regional Development Board for the coming year.

Trickling the anticipated activity in the Federal Over-all Flood Control Program, recently authorized in part, by the Federal Government, the associations in the business and community life of the Glades, the appointment of Mr. Kirchman is a distinct honor to the Glades by the east coast element of the Board.

No organization has been more interested in the Glades nor in the Overall Flood Program, than the R. D. B. and Mr. Kirchman will have been spent in Palm Beach County, for the purpose of the plans now under way for the Glades.

City Gives Fla. Power And Light 10 Year Contract

An ordinance was passed, at the meeting of the City Commission last Wednesday night, giving the Florida Power and Light Co. a ten year contract for electric power to the city. The agreement between the power company and the city expired about a year ago.

After the passing of the ordinance a motion was made and second authorizing the installation of 59 additional street lights to be placed throughout the town in places needing them.

The city will pay half of the costs of the poles and the labor to install them and the P. & L. will pay the other half.

P. P. DeMoya, manager of the power company in this region, represented his company at the meeting. The installation of the additional street lights will be completed within sixty days after the power company (Continued on page 6)

Glades Appliance to Erect New Building on Main Street

The Glades Appliance Corporation has taken out a building permit for the erection of a store and warehouse on its lot at the corner of South Main Street and SE Avenue E, to cost \$6500.00. Contractor Harry Ross will erect the building. The Corporation has long contemplated this move to make room for its ever increasing business interests.

N. D. Lloyd has also taken out a permit for a \$10,000 residence to be erected over in his community colony, on NW Tenth Street.

Other repair permits are: Robert Bridgewater, \$200; L. Shuler, \$800 and \$1500; N. C. Jones, \$200; H. Lamb, \$200; George Torrence, \$100; Shelly \$500, \$500 and J. H. Barber, \$200.

Game Official Speaks Before The Local Lions Club

Dr. I. E. Kennedy, for 20 years connected with the Florida State Game and Fresh Water Fishing Commission, and for 12 years its chairman, met retired and acting as public relations officer, was the guest speaker at the Lions Club, October 20th, and in addition to speaking on "Conservation of our Resources", brought along two colored films entitled "Sun and Sunfish" and "A Panther Hunt in the Everglades" both of which were very informational.

Continued on page five

Prominent Sanford Citizen Dies

Henry H. Lehman, prominent citizen of Sanford, died in the city of Sanford, Florida, on October 20th, while enroute from his home to his office. Lehman for some years had been manager of the Sanford State Market, and was well known to many of the Glades area farmers. He was a member of the State Legislature in the 1939 session.

Packing Houses Ready To Handle Season's Crops

Ideal growing weather for crops is extant in the Glades area, and beans especially are making maturity progress, and there are some fine crops of corn reported. Harold Rabin has an acreage plot which will soon be ready for harvesting, so that the season is fast getting under way at his packing house by November 8th.

"Speedy Gay", of the American Farm Bureau Association states that his company will again handle field products from the Shawnee Farms at Okeelanta, as it has for several years past. Around 350 acres of lettuce and 150 acres of cabbage, will be grown on that big farm. The Hillsboro plantation has around 150 acres of potatoes planted which also will be handled through the American's produce house.

Assistant County Agent H. L. Spear, on Monday, made an inspection of the fields of the Indianland farming section, and has reports that the high water around Jupiter has been kept from doing any damage. He finds that along the road leading from Jupiter to Indianland, there are new developments being started for the purpose of growing tomatoes and pepper plantations on virgin pine lands. With an improved highway connecting the two Martin County sections, it is felt that that section will add valuable improvement to the Martin County incomes.

John Fugate, of Pahokee, has done a lot of ditching and draining on his sand lands at Indianland, and now has one of the best citrus groves in that section. Rex Beach, the Sebring novelist, who recently purchased 40,000 acres adjoining the Fugate layout, has drug lines and bulldozers in on his holdings, preparing them for both pasture and farm land use.

Ray Segura, also of Pahokee, who is at Indianland, has recently added a dirt mixing machine to his packing house equipment.

Overall Flood Control, With Parties, Amendments, Duty; All Beckon Glades Voters

Mock Picks Up a Check Artist

Merchants of South Bay and Clewiston made a complete check recently that a smooth check artist had passed checks amounting to \$200.00. Mock took up the trail and picked up one Carl Lamar Davis, who hails from most anywhere, but gave his home as Columbia, S. C. Davis had little to say for himself when arraigned in Justice Tedder's Court, other than that he would make endeavor to make good on the checks, if permitted to do so.

Being the main recipient of approximately \$30,000.00 of the \$208,000.00 overall flood control program as already authorized in Congress, the Lake Okeechobee area will be the subject of close scrutiny following the Tuesday election. Both leading parties will scan the reports, whether the vote is in a majority for one or the other, or scattered among the four leading candidates; they will know just how many voters take enough interest in government to vote. They know how many are eligible. Overall Flood Control will enforce this interest.

There are two amendments proposed for the PTA is very active against these. This gets into every home, and every home should express its decision at the polls by both mother and father and big brother and sister.

If you're a hidebound Democrat or Republican; or you are exercised over the Civil Liberties proposition; or even if your thinking is tinged with the color of Wallace's distorted preachings and associates; then get out and express your ideas in your vote. Mr. Thomas is threatened—by his party has for the past 25 years—theories that have been and will be taken up by the leadership, and enacted into law.

Your citizenship means less until its about to be taken away as a threatened—by your party has for the past 25 years—theories that have been and will be taken up by the leadership, and enacted into law.

All the proponents of socialism, communism and the other what-have-you isms argue that their systems offer the "common man" greater security and material benefits. As Al Smith used to say, let's look at the record.

England has gone in for socialism in a big way. And what has happened? Once a great coal exporting nation, she can now hardly produce enough for her own needs. Her electric power industry has gone downhill and rates are higher than under private ownership. Her whole socialized economy is a tree in a storm.

Russia, of course, has gone whole hog in its version of a "people's government." To own or control all productive activity, and only a miserable minimum of consumer goods is produced. Her retail stores—all of which belong to the state—are stocked with only a few necessities and even these are strictly rationed. Prices, measured by average earning power, are far higher than in this country.

"Backward America," on the other hand, still clings to representative government and a capitalist economy. The "tragic" results of this are seen on every hand—the most efficient industries on earth, the highest standards of living in the world in spite of inflation, more leisure and opportunity for all retail stores groaning with every kind of commodity, and a competitive system which has to please the people or go out of business—no "take it or leave it" system. The socialists have a sad story. It just doesn't make sense. And yet they are working here to have government monopolies supplant private enterprise. Will we fall for it?

News Of Belle Glade Negro Schools

By Negroes—For Negroes

Belle Glade Elementary
 An active member of our PTA, as well as one of the Glade's most prominent citizens, was recently presented the highest honor any Scouter in the Boy Scout Movement may receive. On last Friday, October 22, the annual banquet given by the Gulf Stream Council, Mr. Taylor was presented with the Silver Beaver Award, and became the second Negro in the council to be so honored. Dr. Dyett of West Palm Beach having previously received such honor. Mr. Taylor has been a Scout Master of Troop 68, Belle Glade, for the past several years, and is very active in all PTA enterprises. The faculty and pupils of Belle Glade Elementary School take this opportunity to extend to Mr. Taylor and Troop 68 our hearty congratulations.

At the recent meeting of the PTA, the question of the delinquent youth in our community came up for quite a bit of discussion. It was decided that there is an urgent need for recreational facilities for youth as well as adults in the community, and the PTA accepted the responsibility as one of its major projects for the year. An appeal was made for more parents to

attend the meetings and help in the solution of problems facing the organization. The Safety Patrol group had great praise for demonstrating so clearly the importance of observing safety at home, at play, at school, and on the streets.

Everglades Vocational News

The Everglades Vocational High School "Bobcats" of Belle Glade opened the football season on October 1st, against Melbourne. They defeated this opponent by a score of 19 to 0. The "Bobcats" played their second game of the season against Carver High School of Miami and lost to them 25 to 0. Next they journeyed to Daytona Beach, Thursday night, October 21st, and lost a hard-fought game to this opposing team 19 to 12.

Friday afternoon, October 29, the "Bobcats" will play one of the toughest teams in the district, Dillard High School of Ft. Lauderdale. Many of the students, including the Pep Squad and Drill Team, will accompany our team on this trip. Plans are being made to take four buses to West Palm

Beats on November 5, when the "Bobcats" will play their county rival, Dillard High School. Last football season, these teams met and the game ended in a scoreless tie. The "Bobcats" will try to bring to us a victory after again playing the Maroon Devils. We shall look forward to our homecoming against Carver High School of Delray on November 11. There will be a parade included in this mass celebration on a Homecoming Day. The same will be played in the "Rams" football field, beginning promptly at 8:15 P. M.

Thursday Evening Suppers Discontinued

Owing to the fact of school being in session and the active farming season approaching, the special suppers which have preceded the weekly football shipper meeting services at the Everglades Presbyterian Church on Thursday night have been discontinued until further notice of their resumption.

Local Chapter Boys Are Staging Stock And Vegetable Projects

"Bob" Davidson, who heads the Future Farmers of America program in the Belle Glade Schools, has a class this year which reaches well toward the hundred mark. The boys have gotten them well started on their year's work program.

Cattle raising is the prime promotion of the club this year, and already several of the members have purchased blooded stock from the Duran ranch at Brighton and the Sugarland ranch at Clewiston, representing several breed of cattle of the leading show Florida strains. The Florida Production Credit Association, and the Palm Beach Cattlemen's Association are giving assistance to the boys in their projects. Fritz Stein, Joe Stevens, Kenneth Bass and Kenneth Harris are boys who have financial interest in the stock, and their animals are reported as making fine progress, and are being broken for show purposes.

The chapter has planted 30

acres of bean for revenue purposes, and some of the boys have their own bean patches and other vegetables.

Called to Memphis By Sister's Death

Harry Barnes, who is employed in an official capacity at the Oklawaha Sugar Plant, recently, was called to Memphis, Tenn., by the critical illness and later death of his sister, Mrs. Cecil Walker, aged 55 years. The deceased is survived by her mother, Mrs. A. C. Barnes, and one sister, Mrs. Kate Kellogg, of Hollywood, Cal., and two brothers, Harry Barnes, of Belle Glade and Chester Barnes of Memphis. Services and burial took place in Hickman, Kentucky, on Tuesday.

A Parcel Misplaced

On the afternoon of October 15th, by mistake in identifying the right automobile, a

package was placed in the rear seat of a car in front of the Herald office. This package contained bottles which treated on Old Fellowship. The return to John Gledhill at the Herald would be much appreciated.

Social Happenings

William Pennington and Grady Smith, students at Florida University in Gainesville, spent last weekend here with their parents.

W. B. Granger is convalescing from a recent illness on Ft. Myers Beach.

L. P. Parson attended the Georgia Tech-Florida game in Atlanta last week.

Walter Greer who has been visiting relatives and friends in California for several months arrived home by plane last week.

Miss Garce McNeill Cashwell of Atlanta, Ga., is spending a week here where she is conducting instruction classes for Girl Scout leaders for Belle Glade and Pahokee.

Mrs. B. B. Rawls and son, Burton Jr., spent last week in Ft. Myers with Mr. Rawls on Pine Island where he is engaged in farming operations. They enjoyed fishing there with excellent catches of snook.

I. L. Price is confined to his home by illness.

GIRL SCOUTS ELECT NEW OFFICERS

Girl Scouts, troop two, met at the Hut Monday afternoon with their leaders, Mrs. John Tabit and Miss Betty Theibaud. A regular business meeting was conducted and an election held. Betty Jo Hayes is the new Scribe, and treasurer is Jeanette Friedheim. For newspaper publicity, Claudia Phelan was elected.

WOMAN'S CLUB TO HAVE ART PROGRAM

Mrs. H. O. Earwood, art chairman, announces that a change has been made for the

Woman's Club planned program next Wednesday. Mrs. R. L. Murray will speak on "The History of American Art" and exhibit water color studies that she made during the summer in Colorado.

GARDEN CLUB TO WORK WITH STUDENTS

At the recent meeting of the Garden Club, a contest on miscellaneous bouquets was conducted. Mrs. Charles Beck took first prize with a bouquet of roses, and Mrs. Luther Jones second for a bubble vase of mixed flowers.

Plans were discussed for the school gardens, and Mrs. H. D. Beck, president, appointed committees to work with the school teachers as follows: Mrs. Lennie Warren, Mrs. A. R. Whiddon, Mrs. L. W. Giese, and Mrs. Fred Ogle for the first and second grades; Mrs. H. D. Beck, Mrs. B. Q. Waddell, Mrs. F. E. Hollingsworth, and Mrs. D. C. DeHaven for the third and fourth grades; Mrs. Geo. T. Conner, and Mrs. W. R. Hooker for the fifth and sixth grades; Mrs. H. D. Beck, Mrs. Harry Peters, Mrs. Harold Bidel, and Mrs. Ivan VanHorn for the high school.

Each member was presented with an artistic hand made year book by Mrs. Harold Bidel. Refreshments were served by Mrs. Conner and Mrs. R. E. Freeman. An announcement was made that the next meeting would be held on November 11th with the program on "Seeding and Planting". The contest will be on potted plants.

GIRL SCOUT MOVIE SHOWING AT THEATRE

The week of October 31st to November 6th is National Girl Scout Week in recognition of the contribution to American Life given by Juliette Gordon Low, who formed the first girl scout troop in the United States March 12th, 1912. Today there is a vast Girl Scout sisterhood of a million and a half girls and leaders—a living evidence of Mrs. Low's vision and an honor to her memory.

The anniversary of her birth, October 31st, is fittingly the opening day of Girl Scout Week. On this day each troop with adults will attend a church in its community.

During this commemorative week the moving picture "Our Date with the Future" starring Celeste Holm will be shown at the Hugo Theatre. On Thursday, November 4th, Ted Malone, whose daughter is a brownie will dedicate his

program at 11:30 A.M. over the American Broadcasting Co. network to Girl Scouts.

Girl Scouts enjoy the three-fold privilege of learning useful crafts, the thrill of outdoor activities and the satisfaction of working and playing together. Girls between the ages of seven to fifteen, who are not already in scouting and would like to join or learn more about it, may contact any girl scout leader of Mrs. Ruth VanLandingham, Chairman of the organization in Belle Glade.

GIRL SCOUT TROOP ONE HAVE SLUMBER PARTY

Girl Scout Troop No. 1 of Belle Glade opened their season with 28 members and their Leaders, Mrs. H. E. Riedel and Miss Faye Ledbetter.

At their election September 29th the following officers were elected: Scribe, Esther Friedheim, Treasurer, Catherine Friedheim, Historian and Publicity Chairman, Kay Fears and Winnifred Burrey. Barbara Wedgworth, Betty Jean Harris and Jane Morris are Patrol Leaders.

On October 8th, the troop had a slumber party at the scout hut and enjoyed refreshments and games. An active program of work and fun is planned for the year.

BOOTS YOUNG JOIN DUKE SOCIETY

Miss Katherine (Boots) Young, daughter of Mr. and Mrs. Wm. C. Young, freshman, joined at Woman's College Duke University pledged Kappa Kappa Gamma society at the close of a two week rush season, the shortest held on Duke Campus. Rounds of open houses, visiting and formal parties preceded the bids given to 188 freshmen.

GEORGE TEDDER'S HAVE FAMILY REUNION SUNDAY

Mr. and Mrs. George Tedder entertained at a family reunion over the weekend at their home. Attending were Mrs. C. J. Young, Mr. and Mrs. F. H. Tatro, Mr. and Mrs. J. B. Long, Mr. and Mrs. Dale Barton, Mr. and Mrs. Dow Houston, Mr. and Mrs. Geo. Ayler, Mrs. W. H. Young, Mr. and Mrs. Frank Young, and son, Miss Mildred Kennedy, all of Miami, and Mr. and Mrs. Curtis Barton and two sons of Dayton, Texas.

EGGLESTON LYONS WEDDING PLANS

The marriage of Miss Grace Eggleston, daughter of Mr. and Mrs. M. C. Eggleston, to Elmer Wendall Lyons, son of Mr. and Mrs. Wendall Lyons, will be solemnized Wednesday November 3 at 7:30 p.m. at the Community Methodist Church with Rev. Leonard Vandewater officiating.

The Misses Helen Friedheim and Joyce Tedder will be maid of honor and bridesmaid, and Eddie Crosby will be best man. A reception will follow at the Woman's Club building with Mrs. Albert Squires and Miss Faye Ledbetter serving.

All friends of the couple are invited to attend both the ceremony and reception.

Lake Worth Will Stage Second Fiesta Del Sol November 25th

The second annual Fiesta Del Sol, a three-day celebration to inaugurate the holiday and winter season will open up at Lake Worth Thanksgiving Day. Plans for the gala celebration to be held on Nov. 25th to the 27th are being directed by Ronald Smith, Lake Worth City Commissioner, who has been named general chairman with Jack Allen, manager of the Chamber of Commerce, assistant chairman.

The full celebration, which promises to be an outstanding event, will include a mammoth parade, popularity contest, a giant auction sale with hundreds of articles to go on the block, a headline football game, dancing, carnival, street entertainment, stage entertainment in the Civic Auditorium and a host of special events.

One of the outstanding attractions, Chairman Smith said, will be the appearance of the Palm Beach All-Star Twirling Club, a 200 member group which has gained considerable favor where they have appeared.

The Fiesta is being staged under the auspices of the Lake Worth City Council in cooperation with all civic, fraternal and service organizations here.

This Fisherman Surprised

Who gets the biggest thrill, the movie star being paid to kiss Lana Turner or the ardent angler hauling in a battling bass and finding a tag worth \$500 hanging to his mustache? Well, that can partly be answered by Allen Whittington, grocery store owner on Lake Apopka, home of the \$50,000 cash prize Fish Bodeo. Allen is one of the most consistent fishermen on the lake

PHILLIPS-BETZNER WEDDING VOWS SPOKEN

The marriage of Miss Ella Vein Phillips to Charles Bettner is announced by her parents, Mr. and Mrs. L. C. Bettner, and a graduate of Belle Glade High School. He served for several years in the army and is now working with his father in the hardware business here.

and when bass were not biting was usually brought in his quota of bream, shell, crabs, or perch. With a couple of tagged bass to his credit he was not unduly excited when around dusk one evening he hauled in

The bride is a former student of the local school, and is employed by the Hugo Theatre. The bridegroom is the son of Mr. and Mrs. L. C. Bettner, and a graduate of Belle Glade High School. He served for several years in the army and is now working with his father in the hardware business here.

a 6½ pounder off the docks with a crazy crawler plug. However, an hour later when he sauntered up to have his catch bass to his credit he was not unduly excited when around dusk one evening he hauled in

the Seven Year Itch when told it was worth \$500. He could hardly hold the check S. L. Cheek, Jr., President of the Florida Anglers handed him.

Special Programs Given Community Church By Guest Speakers

The morning services at the Community Methodist Church last Sunday morning, were in charge of the Bethany class, as a part of the Week of Prayer observance, and was of a most interesting nature, with Miss Sarah Diggins, Mrs. J. M. Gledhill and Mrs. A. L. Wallis, taking the officiating parts. A group of ladies welcomed the arriving worshippers. Special music was presented by the church choir for the occasion.

The address of the morning was delivered by Mrs. Ralph Fuller, an ordained minister of the church, who is serving as a member of the Belle Glade High school faculty this year. She proved herself a very competent speaker and brought an unusual message. Her appearance on future occasions will be most welcomed.

The WSCS on Thursday night, conducted World Day of Prayer service, with Mrs. John M. Gledhill, of the Spiritual Life Department, presiding. This program was also a very helpful and inspiring one.

On next Sunday morning, the Men's Class, will present the worship program of the day, and will have as guest speaker, Dr. Paul M. Cassen, supervisor of the Ministry to Migrants, under the direction of the Florida Interdenominational Migrant Committee, and the public is urged to attend and hear his message.

Baptist Annual Home Coming

The South Bay Baptist Church will have its annual Home Coming Day at the church Sunday. The Rev. Harry Wilson of Waynesboro, Mississippi, will be the speaker of the day. Rev. Wilson is a former pastor of the South Bay Church.

There will be both a morning and an afternoon session with a basket lunch served on the grounds during the noon hour.

The public is invited. Many former members are expected to be in attendance. Mrs. Flora B. Willis, of the

state Baptist music department, with headquarters in Jacksonville, was in South Bay on Sunday, and conducted a musical program at the evening worship service on the history of the hymns and also the history of congregational singing. Mrs. Willis conducted a school of music at the annual vacation Bible School in the summer.

Lee Wroten, of Pahokee, has been named as a member of the City Commission to fill the vacancy made by the recent resignation of Terry Sellers from that body.

Social Happenings

William Pennington and Grady Smith, students at Florida University in Gainesville, spent last weekend here with their parents.

W. B. Granger is convalescing from a recent illness on Ft. Myers Beach.

L. P. Parson attended the Georgia Tech-Florida game in Atlanta last week.

Walter Greer who has been visiting relatives and friends in California for several months arrived home by plane last week.

Miss Garce McNeill Cashwell of Atlanta, Ga., is spending a week here where she is conducting instruction classes for Girl Scout leaders for Belle Glade and Pahokee.

Mrs. B. B. Rawls and son, Burton Jr., spent last week in Ft. Myers with Mr. Rawls on Pine Island where he is engaged in farming operations. They enjoyed fishing there with excellent catches of snook.

GIRL SCOUTS ELECT NEW OFFICERS

Girl Scouts, troop two, met at the Hut Monday afternoon with their leaders, Mrs. John Tabit and Miss Betty Theibaud. A regular business meeting was conducted and an election held. Betty Jo Hayes is the new Scribe, and treasurer is Jeanette Friedheim. For newspaper publicity, Claudia Phelan was elected.

WOMAN'S CLUB TO HAVE ART PROGRAM

Mrs. H. O. Earwood, art chairman, announces that a change has been made for the

Woman's Club planned program next Wednesday. Mrs. R. L. Murray will speak on "The History of American Art" and exhibit water color studies that she made during the summer in Colorado.

GARDEN CLUB TO WORK WITH STUDENTS

At the recent meeting of the Garden Club, a contest on miscellaneous bouquets was conducted. Mrs. Charles Beck took first prize with a bouquet of roses, and Mrs. Luther Jones second for a bubble vase of mixed flowers.

Plans were discussed for the school gardens, and Mrs. H. D. Beck, president, appointed committees to work with the school teachers as follows: Mrs. Lennie Warren, Mrs. A. R. Whiddon, Mrs. L. W. Giese, and Mrs. Fred Ogle for the first and second grades; Mrs. H. D. Beck, Mrs. B. Q. Waddell, Mrs. F. E. Hollingsworth, and Mrs. D. C. DeHaven for the third and fourth grades; Mrs. Geo. T. Conner, and Mrs. W. R. Hooker for the fifth and sixth grades; Mrs. H. D. Beck, Mrs. Harry Peters, Mrs. Harold Bidel, and Mrs. Ivan VanHorn for the high school.

Each member was presented with an artistic hand made year book by Mrs. Harold Bidel. Refreshments were served by Mrs. Conner and Mrs. R. E. Freeman. An announcement was made that the next meeting would be held on November 11th with the program on "Seeding and Planting". The contest will be on potted plants.

GIRL SCOUT MOVIE SHOWING AT THEATRE

The week of October 31st to November 6th is National Girl Scout Week in recognition of the contribution to American Life given by Juliette Gordon Low, who formed the first girl scout troop in the United States March 12th, 1912. Today there is a vast Girl Scout sisterhood of a million and a half girls and leaders—a living evidence of Mrs. Low's vision and an honor to her memory.

The anniversary of her birth, October 31st, is fittingly the opening day of Girl Scout Week. On this day each troop with adults will attend a church in its community.

During this commemorative week the moving picture "Our Date with the Future" starring Celeste Holm will be shown at the Hugo Theatre. On Thursday, November 4th, Ted Malone, whose daughter is a brownie will dedicate his

program at 11:30 A.M. over the American Broadcasting Co. network to Girl Scouts.

Girl Scouts enjoy the three-fold privilege of learning useful crafts, the thrill of outdoor activities and the satisfaction of working and playing together. Girls between the ages of seven to fifteen, who are not already in scouting and would like to join or learn more about it, may contact any girl scout leader of Mrs. Ruth VanLandingham, Chairman of the organization in Belle Glade.

GIRL SCOUT TROOP ONE HAVE SLUMBER PARTY

Girl Scout Troop No. 1 of Belle Glade opened their season with 28 members and their Leaders, Mrs. H. E. Riedel and Miss Faye Ledbetter.

At their election September 29th the following officers were elected: Scribe, Esther Friedheim, Treasurer, Catherine Friedheim, Historian and Publicity Chairman, Kay Fears and Winnifred Burrey. Barbara Wedgworth, Betty Jean Harris and Jane Morris are Patrol Leaders.

On October 8th, the troop had a slumber party at the scout hut and enjoyed refreshments and games. An active program of work and fun is planned for the year.

BOOTS YOUNG JOIN DUKE SOCIETY

Miss Katherine (Boots) Young, daughter of Mr. and Mrs. Wm. C. Young, freshman, joined at Woman's College Duke University pledged Kappa Kappa Gamma society at the close of a two week rush season, the shortest held on Duke Campus. Rounds of open houses, visiting and formal parties preceded the bids given to 188 freshmen.

GEORGE TEDDER'S HAVE FAMILY REUNION SUNDAY

Mr. and Mrs. George Tedder entertained at a family reunion over the weekend at their home. Attending were Mrs. C. J. Young, Mr. and Mrs. F. H. Tatro, Mr. and Mrs. J. B. Long, Mr. and Mrs. Dale Barton, Mr. and Mrs. Dow Houston, Mr. and Mrs. Geo. Ayler, Mrs. W. H. Young, Mr. and Mrs. Frank Young, and son, Miss Mildred Kennedy, all of Miami, and Mr. and Mrs. Curtis Barton and two sons of Dayton, Texas.

EGGLESTON LYONS WEDDING PLANS

The marriage of Miss Grace Eggleston, daughter of Mr. and Mrs. M. C. Eggleston, to Elmer Wendall Lyons, son of Mr. and Mrs. Wendall Lyons, will be solemnized Wednesday November 3 at 7:30 p.m. at the Community Methodist Church with Rev. Leonard Vandewater officiating.

The Misses Helen Friedheim and Joyce Tedder will be maid of honor and bridesmaid, and Eddie Crosby will be best man. A reception will follow at the Woman's Club building with Mrs. Albert Squires and Miss Faye Ledbetter serving.

All friends of the couple are invited to attend both the ceremony and reception.

Lake Worth Will Stage Second Fiesta Del Sol November 25th

The second annual Fiesta Del Sol, a three-day celebration to inaugurate the holiday and winter season will open up at Lake Worth Thanksgiving Day. Plans for the gala celebration to be held on Nov. 25th to the 27th are being directed by Ronald Smith, Lake Worth City Commissioner, who has been named general chairman with Jack Allen, manager of the Chamber of Commerce, assistant chairman.

OBSERVATIONS
(Continued from Page 1)
with Senator Spessard Holland as his guide for information, found time to say "This park is a wonderful place, and when the people of the United States learn of its attractiveness they will all want to visit it." Florida does have some mighty fine attractions for tourists interests.

Negroes who do most of the street work in Belle Glade, working out violations fines in police courts, are sort of getting wise, that it does not pay them to get in the clutches of the law, if they have to pay out with labor on the streets. For several weeks the labor gang under guard Barlow, have been few in number, slackening down the pressing work. One negro made a remark that he wished that the gang was smaller, if he was one released.

Judge George Todder raises many acres of cane, 80 this season, but not for the production of sugar. Instead he cuts it and sells it to truckers who carry the stocks to market and sell it, for sucking and chewing purposes for the saccharine content. The Judge makes for more profit by selling it by the stock, than if he had it ground up for sugar. He reports his crop is not so good this year, rain and flood.

FIRE LOSSES

(Continued on Page 4)

must be classed as such because they were made to such places as Chosen, the Airport and three to South Bay.

The value of the property within the city limits actually involved in fire is estimated at \$44,025.00. This should be added an estimated \$80,805.00

When the bottle says
Grapette

It's a thin, crystal-clear, quick-chill, sterilized bottle filled with lush, ripe flavor and delightful aroma—that's the real, the only Grapette. Rich in dextrose. Sparkling with mellow carbonation. Ask for it by name. Say:

"A GRAPETTE, please!"

THIRSTY or NOT

for fixtures and furnishings. This would bring the property value at \$484,830.00. The fire loss of property and furnishings is estimated to be approximately \$42,945.00.

In handling the 83 alarms and the 25 drills held during the same period, the following equipment was used: 14,000 ft. of booster line hose, 2,550 ft. of 1½ in. leader line hose, 7,600 ft. of 2½ in. main line hose, 240 ft. of ladders and 11 extinguishers. This in addition to a large amount of small tools and appliances.

From the above it is easy to see why this department is recommending the installation of more and larger mains and the installation of quite a number of additional hydrants.

After 17 years as a volunteer chief, and receiving volunteer pay at the same rate as other firemen, Chief Will was voted \$50.00 per month pay, by the city commission which met with the approval of all citizens present at that meeting.

The old American LaFrance pumper which has been responsible for the saving of the city on more than one occasion, finally gave up the ghost during this year and is being replaced by a new truck which will soon be added to Belle Glade's fire defenses.

CITY SALARY

(Continued from page 1)

Collector, Clerk of Municipal Court, Clerk of the Commission, A. L. Wallis, \$4800;

ographer and Assistant Clerk, Nell Nelson, \$2400; second assistant officer worker, \$2400.

Commissioner, Junior A. D. Itern, Mayor, Chairman of Parks and Playgrounds, Junius Harris, \$7500; Police Commissioner F. C. Dwyer, \$4800;

Vice-Mayor and Street Commissioner, Harold Rabin, \$600; Building and Sanitation Commissioner, A. J. Rabin, \$4800; Water Department Commissioner, N. D. Lloyd, \$4800.

Police Department, Chief of Police Charles Goodlett, \$3600; one officer, \$3300.00, eight officers, including parking meter man, \$2400 to \$3000. Fire Department Chief, L. E. Will, \$6000; assistant Chief Bob Bair, \$3000.00; Cecil Bair and Carl Williams, fireman, \$2500; and one additional fireman to be named, when needed, at \$2280.00.

Building and Sanitary Department, N. B. Willis, Chief, \$3600.00; and a 30 dollar car maintenance each month; one assistant, E. C. Mapp, \$2100.00.

Other city employees: Street Superintendent, Thomas Pennington, \$3600.00; City Attorney, H. D. Beck, \$2500; City Librarian, Mrs. Betty Harris, \$1800; Maintenance Mechanic, to be selected, \$3000.00; Equipment operator, Junior Bay Green, \$2400.00; Garbage Truck drivers, Early Jones and Carl Terner, \$2400; prison guard, R. K. Barlow, \$2400.00; extra Garbage helpers and drivers, \$5 to \$6 a day.

Salaries applicable to Water Works Department employees: Supt. Clarence Throop, \$3800; assistant, E. E. Killough, \$2700; Operator, J. T. Lamb, \$2520; operators, L. I. Davis, S. B. Gregory, George McCowan, \$2400; Billing Clerk, Letha Stacy, \$2400; meter reader, John Torrence, \$2400; two maintenance men, Will Potter and Silas Frie, \$1560.00.

GAME OFFICIAL

Continued from page 1
which it is the sponsor. The troop is now planning on erecting a camp site on the islands, where practical outdoor training can be received. At the meeting on November 3rd, the Belle Glade troops and their Scoutmaster will be dinner guests of the Lions, with a program for their entertainment. Members will be responsible for some one scout's dinner.

A resolution was presented by Herman Close, and adopted, setting on foot a plan to see that Florida is represented with an excellent product exhibit at the National Convention in New York in 1949. Ralph Blum, of RDB, will give aid to this proposition.

A combined meeting of the clubs in the Zone, honoring the ladies, was held at the Sugarland Auditorium, in Clewiston, on Oct. 21st, with 130 members and guests present. The dinner was served by the mothers of the Girls Scouts of Clewiston. Dr. Claude Hicks, of Lake Worth gave the address of the evening, and the officers of the four clubs were introduced, as well as their wives. The Sugarland orchestra provided music for the after dinner dance.

International President Brig. Gen. is booked to visit the Florida clubs in November, and the date for the West Palm Beach visit, to which district clubs will be invited, will be held at the George Washington Hotel on November 19th, in the evening. As he will be coming through Belle Glade enroute to the east coast. The club was asked by Scout Executives to get busy in behalf of the Senior Scout Troop

the local club may act as an escort from this city to his destination.

Masons Present Their District Deputy With A Baby Shower

Some 75 members of the Masonic Lodges of the 22nd district gathered at the hall of Gulf Stream Lodge at Lake Worth, recently, for the October session of the Master and Warden's Association, and the session proved profitable and enjoyable for those attending. Ralph Jewell, of West Palm Beach, who is instructor for the district, with a picked team gave instruction in one of the degrees for a class candidate, which proved to be an interesting innovation. Past Grand Master Frank Brown, of Miami, was the guest speaker of the occasion.

District Deputy Irvin Heugland, is soon to be a "papa" so secretly the craftsmen had collected a supply of various typed articles suitable for such an event, and gave him a real shower, which sure knocked him off his usual aplomb. A regular circus was enjoyed out of this bit of by-play.

The attendants had opportunity of enjoying a fine buffet lunch. The next meeting of the Association will be held at Delray on November 19th.

Bretley's Purchase The Borchardt Home On The South Chosen Road

The fine home of Mr. and Mrs. E. H. Borchardt, on South Chosen Road, was purchased by Mr. and Mrs. Hugh J. Bretley, and later they plan to erect there a sizeable modern cottage for their own occupancy, but until that time will continue to remain at their present home on Avenue C.

The Borchardt home is located in one of the desirable residential sections west of the city, and had considerable acreage, a portion in a large lawn and other parts with citrus.

It is understandable that the Borchardt family will continue to reside in West Palm Beach, where Mrs. Borchardt finds it personally more healthy for her, but Gene will remain in action with his local farming and industrial project.

No other Heavy-Duty Trucks have CHEVROLET'S VALUE

Only Chevrolet Advance-Design

Heavy-Duty Trucks Have All These Features

4-SPEED SYNCHRO-MESH TRANSMISSION

This entirely new heavy-duty transmission in one-ton and heavier duty models enables the driver to maintain speed and momentum on grades!

SPRINED REAR AXLE HUB

Another Chevrolet truck innovation, this feature insures added strength and greater durability in heavy hauling.

FLEXI-MOUNTED CAB

Mounted on rubber, the cab is cushioned against road shocks, on torsion and vibration.

THE CAB THAT "BREATHES"

Chevrolet trucks bring added

driver comfort with the cab that "breathes"! Fresh air is drawn in and used air is forced out. Heated in cold weather.

IMPROVED VALVE-IN-HEAD ENGINE

The power-packed Chevrolet Load-Master engine, world famous for economy, is now even more durable and efficient in operation.

Unwieldy, all-steel cab construction

New, heavier springs! Full-floating hypoid rear axles in 1½-ton and heavier duty models

• Hydrovane power brakes on 3-ton models • Ball-bearing steering • Wide base wheels

• Standard cab-to-axle dimensions • Multiple color options

CHEVROLET You're in for an eye-opener

when you try these new, big Chevrolet heavyweight champions. Our guess is you've never driven a truck with more get-up-and-go... more ease of handling... more style and stamina... more downright, real value for combined with all their bigness and power and premium quality, these trucks have 3-WAY THRIFT. They bring you low cost of operation, low cost of upkeep, and the lowest list prices in the entire truck field!

*Fresh air heating and ventilating system and roof exhaust windows with built-in equipment optional at extra cost.

FLASH!

On Tuesday, November 2, at 8 p.m. (E. S. T.) we bring you ELECTION RETURNS OVER NBC Tune in your local NBC station for most complete coverage with such nationally famous commentators as H. V. Kaltenborn, Robert Trout and W. W. Chaplin.
